VERSE 1:

B F#m  
Now I'm alone with You  
A E  
My spirit's singing within  
B F#m  
I know that You're here with me  
A E  
I want to know You more  
B F#m  
Lord as I seek Your face  
A B  
Your presence fills this place

A B  
You know where my heart lies  
E/G# A  
It's beating for You  
A B  
There's nowhere I can hide

No running from You  
A B  
Alone in Your presence

My spirit is free  
A – E/G# – A  
Free indeed

E C#m  
You are my friend  
A B  
My Father above, Oh God

From heaven above, Oh God  
C#m E  
You are my dreams  
A  
Come speak to me now

VERSE 2:

It's just You and me right now  
I set my eyes upon You  
I leave all the world behind  
There's so much for me to see  
My heart is alive in You  
You are my everything
